Frantic?
Well they say she never thought she'd die...

modern day Walkabout - Easter eggs filled with money or candy...
Now back a jail cell, I grew more chest hair in 2 weeks than my whole life... and my 'happy trail is filling in...
nah... picture Easter hunt walkabout - led into the wilderness & eggs are mushrooms and under constant supervision (but w/ out their knowledge) + beautiful memories and words of love in easter eggs as well
but what if they fall down the rabbit hole...
What rabbit hole? The walkabout is to escape it.
But what if they are not...
not what? We are forcing them to look at their nightmares head on - under full supervision
reminds me of that one movie / Trilogy...

the bench where granny sits
the malcontents old lovers attach
& witches brew
2 raindrops is your sign ... or 2 bloodrops relinquish a curse
CAN I HAVE SOME WATER?!
blame protects protect forest
